Docket No. 98-N-1265  
Food and Drug Administration  
5600 Fishers Lane Room 1061  
Rockville, MD 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: *I take compounded medication for fibromyalgia, a debilitating, chronic condition. I am very dependent on my Colorado pharmacy - there is none like it here in Illinois. If you pass the proposed legislation, I will be unable to get the compounded drugs tailored to my needs. PLEASE consider the suffering of the thousands like me ->*
